ADMINISTRATION

M. K. HOLZHAUSEN
Principal

Friends of Central,

My thanks go to you of "The Panther" staff, members of the class of '57, for an excellent record of this school year.

To you, students of Central, because of your good citizenship, school spirit, fine work for self and school, and my friendship with each of you, I am happy and proud to have been your principal.

Teachers, for your cooperation and excellent work both in and out of the classroom; bus drivers, custodians, cafeteria personnel, and all connected with our school, for jobs well done; parents, for your continuous support of our school and its activities; I commend you all. This school year has been more successful because of your efforts.

My gratitude also is extended to you, members of the school board and our county superintendent, for the backing you have given, and the time you have sacrificed so that conditions and facilities might continuously improve for the educational benefit of our young people.

Sincerely,

M. K. Holzhausen

CLASS HISTORY

Thirty seven enthusiastic juniors enrolled at the newly consolidated Hancock Central High School in September, 1955. This was the group known as the Seniors of '57.

The junior class officers were: President, Norman Elsbury; Vice-President, Barbara Sims; Secretary, Betty Macy; Treasurer, Pat Souder; Student Council, Bill Ferris and Carolyn Joyce. Several projects were undertaken to raise money for the senior trip. "Get in, get a thousand, and get out" was the moneymaking slogan.

In September of 1956 thirty one students enrolled as seniors. Jerry Oliver withdrew the first semester and Doris Merchant Hammond withdrew the second semester. Marian Grinstead was married, but stayed to complete the second semester. At the end of eight high school semesters there were 29 seniors.

Norman Elsbury, Frank Edwards, and Steve Lewman played varsity basketball; Donna Smith and Pat Souder were cheerleaders in the senior year.

The class left a television set to the school.

A nine day trip through Washington, Niagara Falls, New York, and Canada, which lasted from April 20th to the 28th, was a memorable event. Mrs. Foust and Mr. Leamon, the class sponsors, accompanied the class.

Baccalaureate was held on Sunday, May 12, and Commencement on Monday, May 13.

With the training received from their teachers at Central the new graduates face the problems of their future life with confidence.

Worn Out

Today life is richer because of
interesting new discoveries are what
there is a machine that can trace up

In Physics we learn to live with greater understanding in a complex civilization that is venturing onto the threshold of the atomic age.

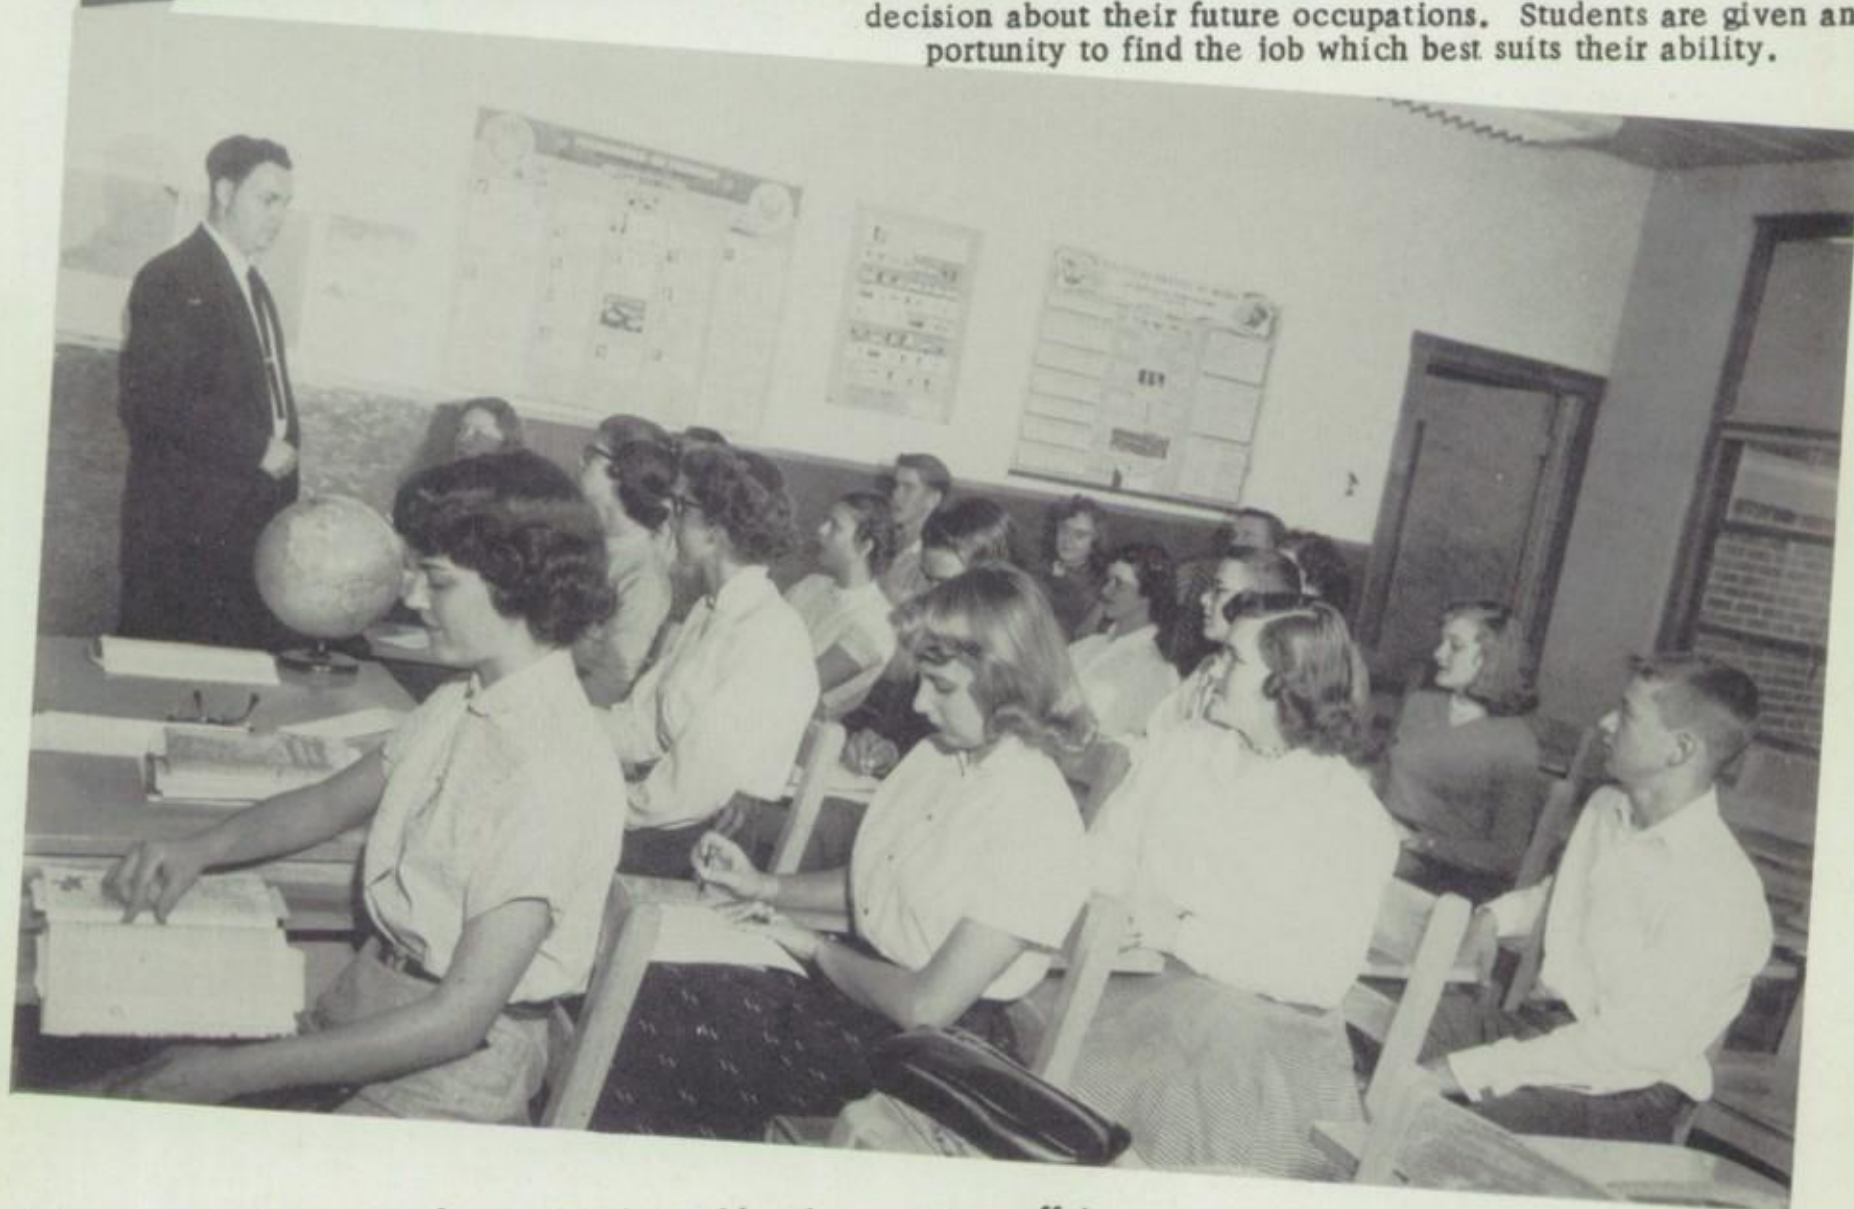

In Biology we learn the structure of plants and small animals. With our new laboratory and equipment the students find the science classes more enjoyable.

In our Foreign Language Courses we study how the people live and their influence on us. Due to the size of our school, we have only two foreign languages--French and Spanish.

The Vocational information Class helps students to make an intelligent decision about their future occupations. Students are given an opportunity to find the job which best suits their ability.

In Social Studies we train for our part in world and community affairs under the direction of Mr. Scotten. Here he is discussing U. S. History with a group of students.

The Drivers Training Class strives to train safe drivers for the future. The students also learn the functions of the parts of the car.

Our Typing Classes train pupils for future business positions. Accuracy and speed are the objectives of these students.

In Girls' Physical Education, we strive to develop a sense of sportsmanship and fair play as well as individual skill. While doing this we have fun and relaxation from our schoolwork.

HERFF JONES
Indianapolis, Indiana

In Shop the boys learn to use their hands. They make many useful articles, and care for the tools they use. Learning to work together enables them to meet the needs of society after they leave school.

The Home Economics Class promotes all phases of homemaking. Included are courses in foods, clothing, home nursing, personal and family relationships, and preparation for marriage.

Secretary, Marjorie Jones; Student Council, Barbara Hughes;
Treasurer, Barbara Swartz; Student Council, Don Burnham;
President, John Whisler; Vice President, Stanley Ricks.

SPORTS

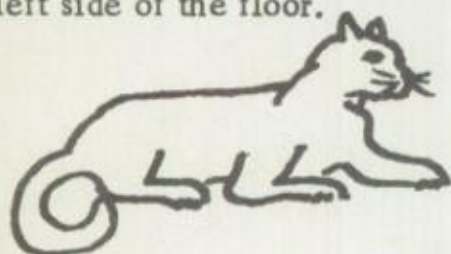

"Might makes right" it has been said. Perhaps, in a sense, this is so, for the proper proportions between mind and body are necessary to make a "right" individual. The strength, the assurance which comes from physical fitness, and the sense of fair play developed in sports are great qualities.

PANTHERS 57 19

NORMAN
ELSBURY

Nub, a senior--known for his scoring ability, leadership on the floor, and the soft one-handed jump shot from the left side of the floor.

FRANK
EDWARDS

Frank, a senior--was a good defensive man and will be remembered for his hard driving lay-up.

Mr. Smith, Mr. Crosley, Mr. Terrell.

ALAN
WARD

Al, a sophomore--shoots a soft one-hand jump-shot and keeps a cool head.

MIKE
ONEAL

Mike, a sophomore--is cool headed, excels in ball handling, and is a stand-out on defense.

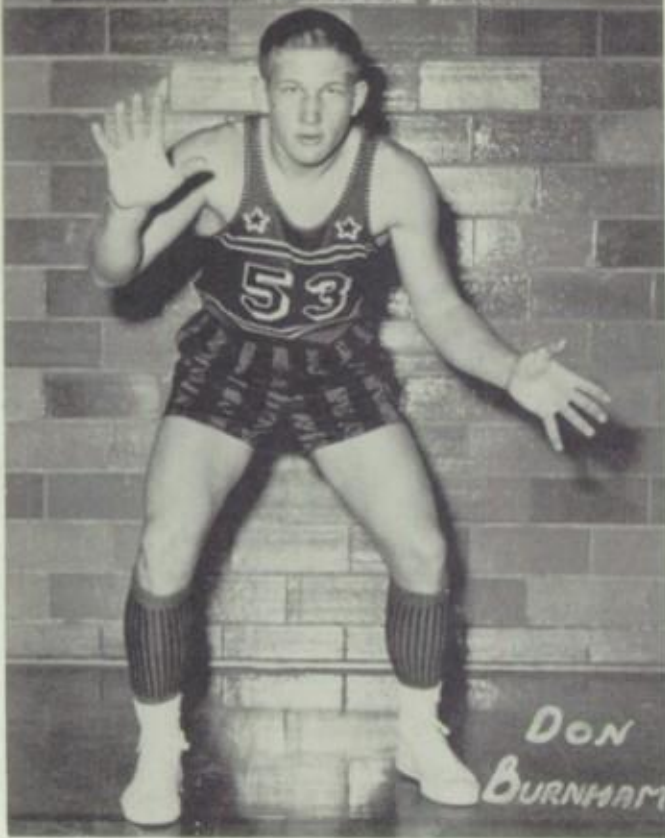

GERALD
SYLVESTER

Gerald, a junior--will be around next year with his hard drive and scrappy defense.

Stanley Ricks--a boy who has won many honors.

Students of Hancock Central have the opportunity to participate in organizations such as the band and the high school chorus. Many individual honors have been attained in solo and ensemble competition. A special honor is afforded those chosen to represent our school in the all-state chorus. The majorettes also play an important part in school activities.

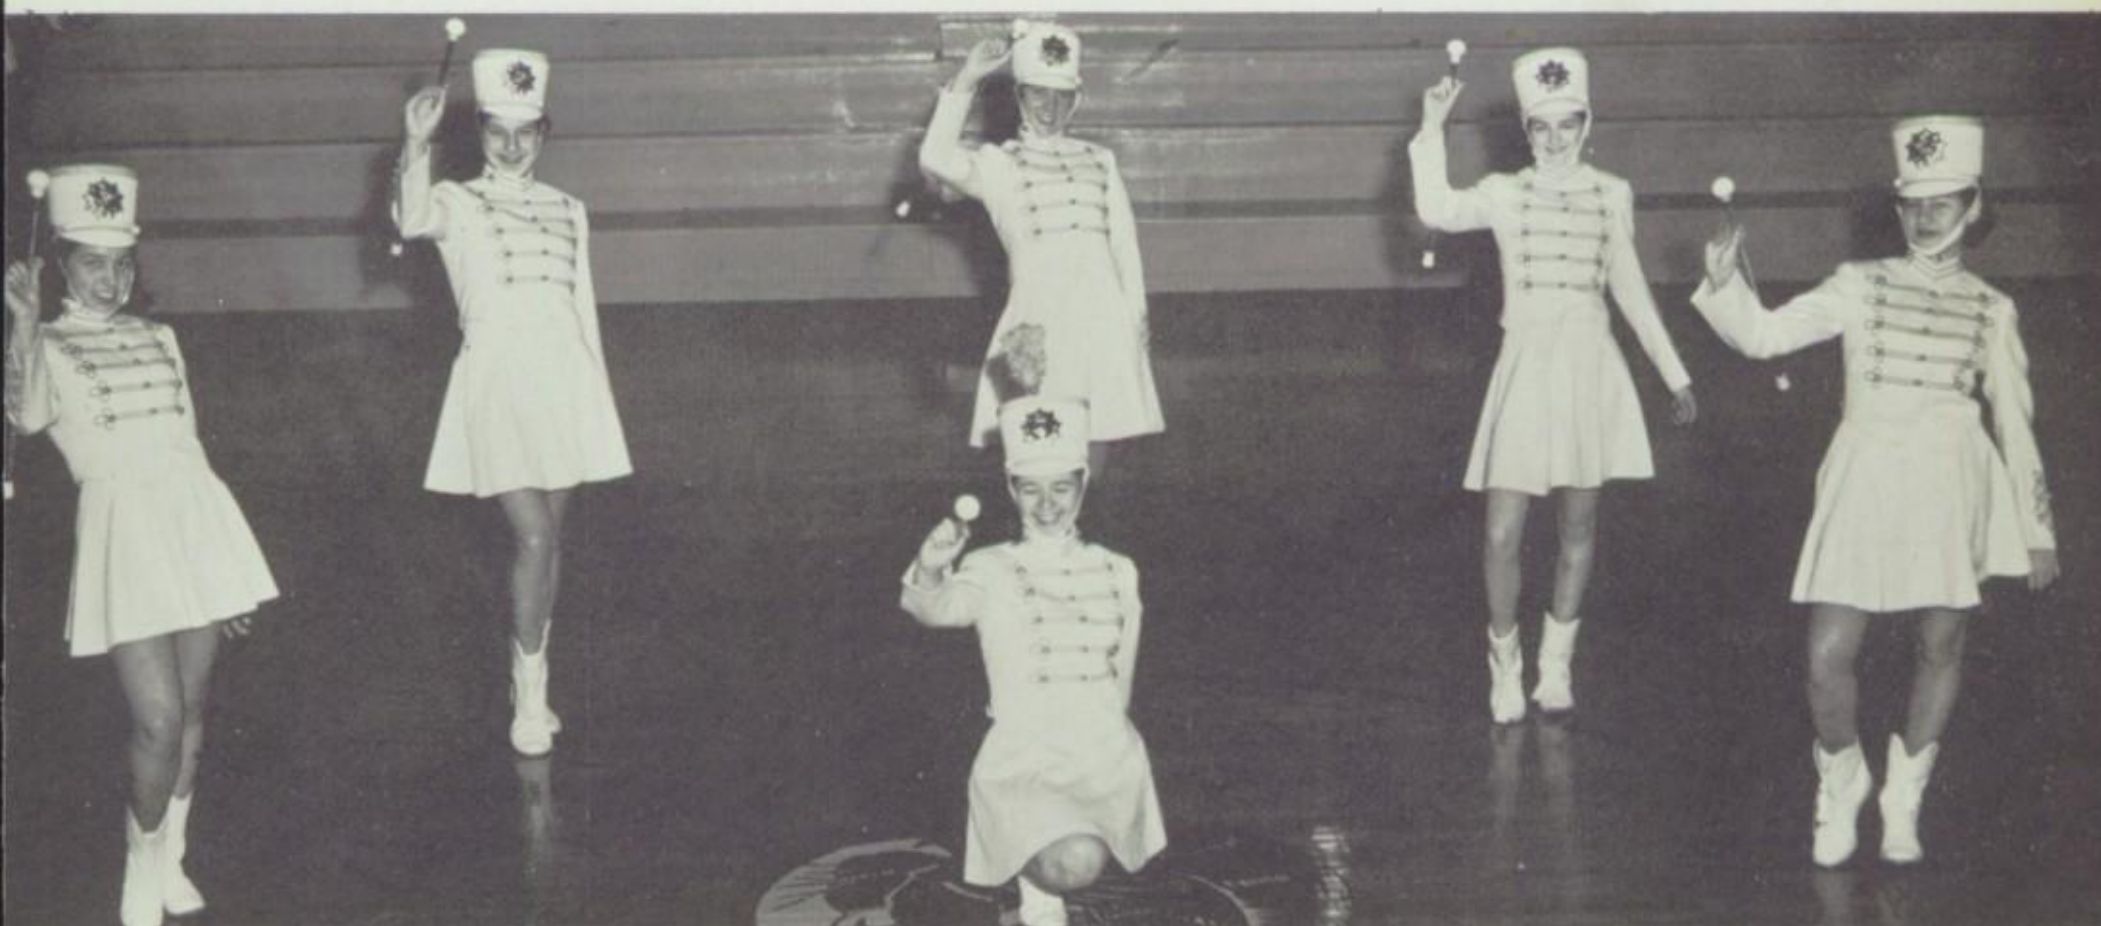

STATE CHORAL GROUP

These busy workers are the food experts who prepare the meals for the elementary students.

These are the janitors who keep the elementary building looking clean at all times.

"Always to school on time" seems to be the motto of the bus drivers. We can count on them for reliable transportation.
